

## ST. DEMETRIOS ALTAR BOYS GENERAL GUIDELINES

### **General Notes**

#### **Arriving at the Holy Altar for Service**

- Arrive at least 15 minutes before the start of the Divine Liturgy, or other divine service.
- Enter the altar from the north door (Archangel Gabriel), making the sign of the cross.
- Fold your vestment neatly and carry it to the Priest for a blessing.

#### **Proper Altar Etiquette**

- Only the Priest can stand/walk in front of the holy table. Altar boys must always walk around the holy table from behind.
- Talking and whispering is not proper inside the holy altar.
- When not actively carrying out a task, stand still and straight in a line with the other altar boys- half on one side, and half on the other side, 2 or 3 paces away from the holy table.
- When processing or standing outside the holy altar, stand straight and do not fidget-remember that people can see you.
- When handing to or receiving something from the Priest (ex. the censer), kiss his hand as you do so.
- Check periodically that the censer has enough incense and hot charcoal.
- Keep the north and south doors closed after entering/exiting the holy altar.

### **Service during the Divine Liturgy**

#### **Beginning of the Liturgy**

- Make sure that the processional candles are lit in their rack.
- Have someone start cutting the loaves of bread into pieces.

#### **The Small Entrance**

- When the Priest lifts the Gospels book and starts to walk, start walking in front of him (at a slow but steady rate) with the processional candles.
- Once at the middle of the solea, line up on either side of the Royal Door, facing each other.
